

# America's Veterans Thrive in Rural Communities

## ORH Mission

*Improve the health and well-being of rural Veterans through research, innovation, and the dissemination of best practices.*

### PROMOTE

federal and community care solutions for rural Veterans

### REDUCE

rural health care workforce disparities

### ENRICH

rural Veteran health research and innovation

The Office of Rural Health (ORH) implements a targeted, solution-driven approach to increase access to care for the 2.7 million Veterans living in rural communities who rely on the U.S. Department of Veterans Affairs (VA) for health care. ORH works to see that America's Veterans thrive in rural communities.

To accomplish this, ORH leverages its resources to research, innovate and disseminate Enterprise-Wide Initiatives through local and national partnerships.

### The core solutions include:

- ▶ National rural needs assessment
- ▶ Rural Promising Practices that offer new models of rural care
- ▶ Enterprise-Wide Initiatives
- ▶ Public-private partnerships
- ▶ Cross-agency collaboration
